Please thoroughly read this installation manual before installing the Concrete Mount System, and before assembling and operating the Umbrosa Umbrella. The Umbrosa Warranty does not cover damage caused by incorrect installation, wind, or wrongful use of the product. All users must be properly trained in operation and wind guidelines.

Once installed, always use COMMON SENSE WIND GUIDELINES; if it is too windy to be outside enjoying the day, it is best to lower/collapse the Umbrella Frame w/ Fabric Canopy. It is also important to keep it lowered/collapsed when unattended. See manufacturer’s limited warranty on page 2.

B  M O U N T I N G  I N S T R U C T I O N S

1:
Determine a level location to install the Wood Deck Mount Kit. Check the surface using a Carpenter’s Level. Review the illustration to the left to understand the placement of each component used to complete the installation.

NOTE: One Base Plate (BP) is placed on top of the wood deck and the second Base Plate below the wood deck. The Base Plates must be positioned between two joists.
You are now ready to mount the Spigot for your Umbrella to the Wood Deck Mount Kit. Locate your Owners Manual and use those instructions to complete your installation.

**C WARRANTY**

Umbrosa NV warrants to the consumer that the Spectra product is free from manufacturer defects in material or workmanship for a period of three (3) years from the date of original purchase when used in compliance with directions as outlined in the manufacturer’s instructions, which includes reasonable and necessary maintenance by the consumer. Warranty does not include normal wear and tear of product. Umbrosa takes no responsibility for incorrect use or assembly related to installation area, consistency of supports and relative hardware used, and capacity of mounting surfaces. Failure to follow the given assembly, maintenance, use and care instructions will void the product warranty. In case of manufacturing defects in material or workmanship, Umbrosa NV, agrees to, at their discretion, send the replacement part for all defective parts.
