Please thoroughly read this installation manual before installing the Paraflex Mount System, and before assembling and operating the Paraflex Umbrella. The Paraflex Warranty does not cover damage caused by incorrect installation, wind, or wrongful use of the product. All users must be properly trained in operation and wind guidelines.

Once installed, always use COMMON SENSE WIND GUIDELINES: If it is too windy to be outside enjoying the day, it is best to lower/collapse the Umbrella Frame w/ Fabric Canopy. It is also important to keep it lowered/collapsed when unattended. See manufacturer’s limited warranty on page 2.

## B MOUNTING INSTRUCTIONS

### 1:
(a) Remove the two Paver Base (P1) pieces from Box A.
(b) Join the two sections by fitting them together at the notched section in the middle of each piece as shown at right.

### 2:
(a) Place the 8X 16”x16”x2” Concrete Pavers (not included) in the four quadrants of the Paver Base (P1), by stacking two (2) in each quadrant.

### 3:
(a) If you purchased the optional Paver Base Cover (P2), place it over the Paver Base (P1) and push it down until it touches the ground.

### 4:
(a) Place the Paraflex Spigot (S1) on top of the optional Paver Base Cover, or on top of the assembled Paver Base pieces (P1).
(b) Align the countersunk holes of the Paraflex Spigot with the tapped holes in the Paver Base Pieces (P1).
(c) Insert the four (4) Spigot Bolts (A2) into the countersunk holes, and using the 6mm Allen Wrench (T2), tighten to fully secure the Paraflex Spigot.

The manufacturer warrants to the consumer that the Paver Base w/Optional Cover is free from manufacturer defects in material or workmanship for a period of three (3) years from the date of original purchase when used in compliance with directions as outlined in the manufacturer’s instructions, which includes reasonable and necessary maintenance by the consumer. Warranty does not include normal wear and tear of product. Manufacturer takes no responsibility for incorrect use or assembly related to installation area, consistency of supports and relative hardware used, and capacity of mounting surfaces. Failure to follow the given assembly, maintenance, use and care instructions will void the product warranty. In case of manufacturing defects in material or workmanship, manufacturer agrees to, at their discretion, send the replacement part for all defective parts.
